Department of Mathematics & Statistics

The Department of Mathematics and Statistics at the University of Regina invites applications for **one tenure-track position in Mathematics** at the rank of Assistant Professor to commence July 1, 2006.

Applicants should have a Ph.D. in Mathematics or expect to complete one by July 1, 2006. Candidates should be committed to excellent teaching and demonstrate strong potential for independent research in any area of Mathematics. The Department is seeking a talented individual who can have a positive impact on its research activities and academic programs.

An overview of the department's research interests is located at http://www.math.uregina.ca/research.html. Further information concerning the Department can be obtained from the web page: http://www.math.uregina.ca/.

Applications must include a curriculum vitae, a research plan, and the names and addresses of at least three references. Applicants should arrange to have their letters of reference sent directly by the referees to the address below. At least one of the letters should address the applicant's teaching abilities. The application deadline is **December 15, 2005**.

Please address applications to:

Dr. Steve Kirkland, Professor & Head
Department of Mathematics & Statistics
University of Regina, College West 307.14
Regina, Saskatchewan, Canada S4S 0A2

If the successful candidate is eligible for a University Faculty Award (see http://www.nserc.ca/sf_e.asp?nav=sfnav&lbi=c7), the University of Regina would be interested in submitting a nomination for that award.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. We value diversity in the workplace.

SCMS15: Department of Mathematics and Statistics, Assistant Professor, Mathematics
