Tenure-Track Positions in Algebra or Analysis

The University of Windsor invites applications for tenure-track positions in the Department of Mathematics and Statistics, at the rank of Assistant Professor, commencing **July 1, 2006**. These positions are subject to final budgetary approval.

A successful candidate must have a PhD by the date of appointment, and be able to contribute in a major way to shaping the Department's future development. Additionally, a successful candidate must be dedicated to excellence in teaching at all levels, and must have a realizable potential to develop a strong research program in Algebra or Analysis is required.

The research areas within the Department include Algebra, Analysis, Applied Mathematics, Optimization, Probability and Statistics. There are excellent opportunities for collaboration with researchers in Economics, Engineering, Business Administration and Computer Science. The Department offers a PhD degree in Statistics, Masters Degrees in Mathematics and Statistics, as well as Bachelors degrees in Mathematics, Mathematics and Statistics, and Mathematics and Computer Science and a multidisciplinary Bachelor of Operational Research program.

The Department has a strong tradition of excellence in teaching at all levels, and several of our faculty members have received distinguished teaching awards. For further information about the Department, visit our web site at <http://www.uwindsor.ca/math>

Applications are to include: a letter of application, including a statement of citizenship/immigration status; a detailed curriculum vitae; a statement of teaching philosophy (with evidence of teaching effectiveness); a statement outlining a research program (with some indication of a realistic expectation of success); graduate transcripts (if available); and three **current** letters of reference forwarded by the referees. To ensure full consideration, complete applications and letters of reference should be submitted by **March 13, 2006**, to:

Professor S. E. Ahmed, Head, Department of Mathematics and Statistics
University of Windsor, 401 Sunset Avenue, Windsor, Ontario, N9B 3P4
Phone: (519) 253-3000, ext. 3015, Fax: (519) 971-3649, E-mail: mthsta2@uwindsor.ca

Applications may still be received after the **deadline date**. If you are unable to submit the application by the deadline date, you should contact the Head to alert the Head that you intend to submit an application after the deadline date. If you are viewing the advertisement after the deadline date, you should contact the Head to find out the status of the search and discuss the possibility of submitting an application.

Information about the University of Windsor and its programs may be found at www.uwindsor.ca. Also visit us at www.uwindsor.ca/facultypositions, for additional information about this position and employment at the University of Windsor.
