

DEPARTMENT OF MATHEMATICS & STATISTICS

MATHEMATICS

The Department of Mathematics and Statistics at the University of Guelph invites applications for a full-time tenure track position to start 1 July 2007 or thereafter, at the rank of Assistant Professor in Mathematics. Minimum qualifications are a Ph.D. in mathematics or a related field and evidence of strong research and teaching potential at all levels. The appointment is expected to actively participate in our graduate programs emphasizing applied mathematics. Priority will be given to analysis or its applications. Salary will be commensurate with qualifications and experience. Candidates should submit, by 1 December 2006, a curriculum vitae, research statement and teaching statement and arrange for three letters of reference, one addressing teaching, to be sent directly to

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. The University of Guelph is committed to an employment equity program that includes special measures to achieve diversity among its faculty and staff. We therefore particularly encourage applications from qualified aboriginal Canadians, persons with disabilities, members of visible minorities, and women.
