

Mathematics & Statistics Department at Queen's University

The Department of Mathematics and Statistics invites applications for two tenure-track appointments at the Assistant Professor level, one in Statistics, and the second in Probability or Statistics. The appointments will begin July 1, 2008.

Successful applicants must have a demonstrated commitment to excellence in research and the potential for research leadership. Candidates must also have the ability to excel in teaching a broad range of statistics courses and in supervising graduate students. Salary and level of appointment will be commensurate with qualifications and experience. Exceptionally qualified candidates may be appointed at a higher rank. Candidates should have a Ph.D. in statistics or a related area. All areas of statistics or probability are welcome, though applicants will be assessed on the way their work will complement or enhance the existing research profile of the department. Research profiles are available at <http://www.mast.queensu.ca/graduate/prob.php>.

Interested candidates should arrange for a curriculum vitae, a description of research interests, up to five publications or preprints, a statement on teaching or a teaching dossier, and at least four letters of reference, one of which should comment on the candidate's teaching, to be sent to the address below by November 30, 2007. Applications will be considered until the position is filled but priority will be given to those received before November 30, 2007. Further instructions are available at <http://www.mast.queensu.ca/positions/index.php>
