The University of Western Ontario
Department of Mathematics

Homotopy Theory Postdoctoral Fellowship

The Department of Mathematics at the University of Western Ontario has one postdoctoral position available in areas related to homotopy theory, including applications to other fields. The position is for a one-year term beginning July 1, 2008, with a flexible start date and the possibility of an extension to a second and third year subject to budgetary considerations. The salary will be $40,000 CDN per year plus a tax free research fund of $1,500. The position will involve teaching two half courses per year, in addition to research. The successful candidate will work under the supervision of J.F. Jardine, and should have completed a Ph.D. in 2005 or later.

Candidates are encouraged to apply electronically using www.mathjobs.org.

Applications may instead be mailed to:

Professor D. M. Riley, Chair
Department of Mathematics
University of Western Ontario
London, Ontario N6A 5B7
Canada

All applications should include a curriculum vitae, a research statement, and at least three letters of reference. At least one letter of reference should comment on the teaching abilities of the applicant.

E-mail inquiries and submissions may be sent to math-pos@uwo.ca.

Information about the department can be found at http://www.math.uwo.ca.
J.F. Jardine's home page is http://www.math.uwo.ca/~jardine/cv/index.html.

The deadline for applications is **January 15, 2008**.
