Simon Fraser University
Department of Mathematics

Tenure-Track Assistant Professor

The Department of Mathematics at Simon Fraser University invites applications for a tenure-track position at the level of Assistant Professor.

Applications from researchers in all areas of mathematics are encouraged, though in the long term the Department is committed to augmenting research groups in the following areas: operations research, applied mathematics (image processing, scientific computing, mathematical biology); algebra, including computational algebra; optimization.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. Simon Fraser University is committed to an equity employment program that includes special measures to achieve diversity among its faculty and staff. We therefore particularly encourage applications from all qualified applicants, including women, First Nations people, persons with disabilities, and members of visible minorities. Applications, including a statement of interest, a curriculum vitae, and descriptive statements about research plans and teaching activities should be sent by Dec. 15, 2007 to

Assistant Professor Search A
