

ASSISTANT PROFESSOR in MATHEMATICS

The **Faculty of Science** at the **University of Calgary** invites applications for two tenure-track positions at the Assistant Professor level in the Department of Mathematics and Statistics, beginning July 1, 2008. The Department is seeking outstanding candidates in one of the following fields:

- Algebraic Topology. Candidates with expertise in homotopy theory are particularly encouraged to apply.
- Mathematical Finance. Candidates in this field are expected to have expertise which will support the Mathematical and Computational Finance Laboratory. Please visit <http://finance.math.ucalgary.ca> for more information about the Laboratory.

Duties include undergraduate and graduate teaching in mathematics and the development of an independent research program. Candidates must have a Ph.D. The ideal candidate will have a strong record of mathematical research, good communication skills, and a demonstrated ability to teach effectively at the graduate and undergraduate levels.

Applicants are strongly encouraged to apply at www.mathjobs.org but applications will also be accepted at the address below. Candidates should submit a *curriculum vitae* together with a description of Research Expertise and a Teaching Dossier. Candidates should also arrange for three letters of recommendation (one reporting on the candidate's teaching abilities) to be sent directly to the address below or included in the mathjobs.org application.

Search Committee
Department of Mathematics and Statistics
University of Calgary
2500 University Drive NW
Calgary, Alberta, Canada T2N 1N4

Phone: 403-220-5210; Fax: 282-5150
E-mail: search@math.ucalgary.ca

The closing date is **January 15, 2008**, but applications will be accepted until the position has been filled.

Detailed information about the Department of Mathematics is available at <http://www.math.ucalgary.ca>.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents of Canada will be given priority. The University of Calgary respects, appreciates and encourages diversity.
