

Tenure-track position in Mathematics

The Department of Computer Science and Mathematics in the Faculty of Arts and Science at Nipissing University invites applications for a probationary tenure-track position in Mathematics at the rank of Assistant Professor, beginning July 1, 2009, subject to budgetary approval.

The successful candidate will have a completed PhD and a demonstrated ability for excellence in both research and teaching. While preference will be given to candidates with a research specialty in Analysis, Algebra or an area that complements Topology, candidates in all areas will also be considered. The department has a strong research focus, especially in Topology.

A letter of application plus a research agenda, statement of teaching philosophy, curriculum vitae, three letters of recommendation and representative teaching evaluations (if available) should be sent to:

Dr. Craig Cooper
Dean of Arts and Science
Chair, Search Committee
Nipissing University
100 College Drive
North Bay, ON P1B 8L7
Fax: 705-474-3072.
Email: asfacpos@nipissingu.ca

Consideration of applications will begin **November 15, 2008**, and continue until the position is filled.

The Selection Committee would like to thank all applicants for their interest in Nipissing University; however, only those selected for interviews will be contacted.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Nipissing University is an equal opportunity employer.
