

CANADA RESEARCH CHAIR POSTDOCTORAL FELLOWSHIP

Applications are invited for the Canada Research Chair Postdoctoral Fellowship in the Department of Mathematics and Statistics at McMaster University. This fellowship provides opportunities to spend up to three years engaged in research, with a limited amount of teaching, and is particularly suitable for talented mathematicians who have recently completed the Ph.D. To learn more about the department, please visit <http://www.math.mcmaster.ca>.

The Fellowship is open to candidates of any nationality and selection will be based upon the candidate's research potential. Fellowship holders will work under the supervision of Dr. Walter Craig, a holder of a Canada Research Chair in Mathematical Analysis and its Applications at McMaster University. Research areas of particular interest include Analysis, Partial Differential Equations, Hamiltonian Dynamical Systems and Applied Mathematics. The fellowship normally starts **July 1, 2009** and the annual stipend is \$42,000 plus a \$5,000 grant for research expenses.

Candidates are required to apply for these fellowships by using the MathJobs website by **January 5, 2009**. See our advertisement at <http://www.mathjobs.org>.

Applicants should provide at least three letters of recommendation. At least one of these letters should report on the candidate's teaching abilities. Preferably these letters will be submitted through the MathJobs website (see above); they may also be sent directly to either:

Dr. Matt Valeriote, Acting Chair
c/o CRC Postdoctoral Fellowship Applications
Mathematics & Statistics
Hamilton Hall 218
McMaster University
