

**LECTURER IN STATISTICS
DEPARTMENT OF COMPUTER AND MATHEMATICAL SCIENCES ---
UNIVERSITY OF TORONTO SCARBOROUGH**

The Department of Computer and Mathematical Sciences, University of Toronto Scarborough, invites applications for a full-time teaching stream position in Statistics at the rank of Lecturer, to begin July 1, 2009.

Candidates should have a post-graduate degree in Statistics or a related field, and must demonstrate potential for excellence in teaching at the undergraduate level.

Responsibilities include lecturing, conducting tutorials, grading, and curriculum development in a variety of undergraduate courses. Appointments at the rank of Lecturer may be renewed annually to a maximum of five years. In the fifth year of service, Lecturers shall be reviewed and a recommendation made with respect to promotion to the rank of Senior Lecturer, which is a continuing appointment. Salary will be commensurate with qualifications and experience.

Candidates should submit a curriculum vitae, a statement of career goals and teaching philosophy, and evidence of teaching excellence by email to:

stats-lecturer-search@utsc.toronto.edu

(PDF files are preferred.)

In addition, candidates should arrange for at least three references to send recommendation letters directly to the above address. For full consideration in the search, all application materials, including the recommendation letters, must be received by March 1, 2009.

(If submission by email is impossible, the application material and recommendation letters may be sent by post to

Toronto, ON M1C 1A4

Please do not submit by post applications that have been sent by email.)

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
