

The Department of Mathematics and Computer Science at Mount Allison University invites applications for a one-year term appointment in Mathematics.

Candidates should have a Ph.D. and have a strong commitment to undergraduate teaching and to research. The successful candidate will be expected to teach 5 one-semester courses in Mathematics.

The appointment will be made at the rank of **Lecturer or** Assistant Professor and will commence on July 1, 2009, subject to budgetary approval.

An application should include a curriculum vitae and three letters of reference. At least one of these should address the candidate's teaching. Reference letters should be sent to:

Dr. Ron Beattie
Chair of the Search Committee
Dept. of Mathematics and Computer Science
Mount Allison University
67 York Street
Sackville, NB E4L 1E6
email: math@mta.ca

The closing date for applications is April 24, 2009, or until the position is filled.

Mount Allison University welcomes diversity in the workplace and encourages applications from all qualified women and men, including aboriginal peoples, persons with disabilities, and members of visible minorities. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Canadian and permanent residents should indicate their citizenship status in their application.
