

Title: Canada Research Chair - -0801273

Job Field: Tenure Stream

Faculty / Division: University of Toronto Mississauga

Department: Mathematical and Computational Sciences, UTM

Campus: Mississauga

Job Posting: 11/Nov/09

Closing Date: Open until filled

Description:

The University of Toronto Mississauga solicits applications for a senior position in the Department of Mathematical and Computational Sciences, to begin July 1, 2010. Rank and salary will be commensurate with qualifications.

The main areas of research interest are: dynamical systems, geometrical analysis, applied and computational mathematics, geometry, and algebra/number theory; however, exceptional candidates in any field of pure and applied mathematics are encouraged to apply.

It is intended that the successful applicants will be nominated for a Canada Research Chair. Accordingly, candidates are expected to be outstanding mathematicians, whose research and teaching will make major contributions to the quality and stature of the department.

Applicants should send their complete C.V. including a list of publications, a short statement describing their research program, all appropriate material about their teaching, the AMS Standard Cover Sheet and four letters of recommendation should be submitted online at www.mathjobs.org/jobs/uoft/1950;

Applications will be accepted until the position has been filled.

The University of Toronto offers the opportunity to teach, conduct research and live in one of the most diverse cities in the world, and is strongly committed to diversity within its community. The university especially welcomes applications from visible minority group members, women, aboriginal persons, persons with disabilities, and others who may add to the diversity of ideas.
