

Limited-Term Position in Mathematics

Applications are invited for a 9-month limited-term appointment at the Assistant Professor or Lecturer level in Mathematics at St. Francis Xavier University to commence August 15, 2010, subject to budgetary approval. Applicants should hold or be near completion of a Ph.D. in Mathematics or closely related field. The successful candidate should be willing to teach Introductory Statistics. Preference will be given to individuals who exhibit a commitment to excellence in teaching and research. Consideration of applications will begin on February 1, 2010 and will continue until the position is filled. Applicants should send curriculum vitae, teaching and research statements, and names and contact information for three referees to:

Dr. Joe Apaloo, Chair
Department of Mathematics, Statistics and Computer Science
St. Francis Xavier University
PO Box 5000
Antigonish, NS B2G 2W5
Canada

Submissions via application upload at the website <http://cse.stfx.ca/~jobApplication/sub/> are encouraged. For further enquiries please send email to japaloo@stfx.ca.

Posted: Dec 17/09

All qualified candidates, especially women and members of minority groups, are encouraged to apply; however, in accordance with Canadian Immigration requirements, Canadian citizens and permanent residents will be given priority. St. Francis Xavier University is committed to the principle of employment equity.
