

Faculty Position in Operations Research  
University of Waterloo

The Department of Combinatorics and Optimization ([http://www.math.uwaterloo.ca/CandO\\_Dept/](http://www.math.uwaterloo.ca/CandO_Dept/)) at the University of Waterloo invites applications for a tenure-track faculty position in Operations Research. While the intention is to make appointments at the rank of Assistant Professor, applications for more senior positions will be considered. A Ph.D. degree and evidence of excellence in research and teaching are required. Successful applicants are expected to maintain an active program of research, to seek out and participate in industrial collaborations, to attract and supervise graduate students, and to participate in undergraduate and graduate teaching. Salary will depend on the candidate's qualifications. The effective date of appointment is July 1, 2011.

Interested individuals should apply using the MathJobs site:  
<http://www.mathjobs.org>.

Applications should include a curriculum vitae, research and teaching statements, and up to three selected reprints/preprints. In addition, at least three reference letters should be submitted. Inquiries may be addressed to [combopt@math.uwaterloo.ca](mailto:combopt@math.uwaterloo.ca) or to Jochen Koenemann, Chair, Department of Combinatorics and Optimization, University of Waterloo, Waterloo, Ontario, Canada N2L 3G1. Closing date for receipt of applications is December 10, 2010.

The University of Waterloo encourages applications from all qualified individuals, including women, members of visible minorities, native peoples, and persons with disabilities. All qualified candidates are encouraged to apply; however, citizens and Permanent Residents of Canada will be given priority.
