Department of Mathematical Sciences

POSTDOCTORAL POSITION
Lakehead University (Thunder Bay Campus)

Date of Posting: December 14, 2010.

The Department of Mathematical Sciences at Lakehead University (Thunder Bay Campus) invites applications for a postdoctoral position. The position is for one year, starting August 1, 2011. The successful candidate will be expected to engage in research and teach three one semester courses. The position is subject to budgetary approval.

Applicants must have completed a PhD in Mathematics before the beginning of the appointment. Preference will be given to candidates whose research interests complement those of current faculty. In particular, preference will be given to the following areas: algebra (commutative algebra, group rings), analysis (classical analysis, abstract harmonic analysis, C*-algebras, von Neumann algebras, Banach spaces, operator theory), numerical analysis, mathematical physics, operations research, probability and statistics. Teaching experience is preferred. More information on the department can be found at
http://math.lakeheadu.ca/

All applicants must submit a letter of interest, a curriculum vitae, a statement of their research interests, and teaching statement which outlines their teaching experiences. In addition, they should arrange to have at least three letters of references (with one addressing teaching) sent to:

Dr. Adam Van Tuyl
Chair, Department of Mathematical Sciences
Lakehead University
955 Oliver Road
Thunder Bay, ON
P7B 5E1
email: avantuyl@lakeheadu.ca

A completed Confirmation of Immigration/Citizenship Status should accompany your package. This form is available on our website at http://hr.lakeheadu.ca/pdf/immig.pdf

Review of applications will begin on February 18, 2011 and continue until the position has been filled.

Lakehead University is an equal opportunity employer.
