

The Department of Mathematics and Statistics at McMaster University invites applications for two 12-month contractually limited appointments as a Lecturer and/or Assistant Professor. The teaching load for these positions is 18 units, or the equivalent, and the starting date is **September 1, 2011**. The minimum annual salaries are \$51,729 (Lecturer) and \$63,607 (Assistant).

The successful candidate is expected to hold an advanced degree (MSc or PhD) in Mathematics, to demonstrate evidence of excellent teaching and communication skills, and to show potential for development of scholarly and pedagogical expertise within their field of inquiry. Preference will be given to candidates with a proven record of successful teaching of mathematics courses at the university level.

The application should include a curriculum vitae, a statement on teaching philosophy and practice, and at least two reference letters. Applications can be submitted using the Mathjobs website (see our entry at <http://www.mathjobs.org>) or by mailing the materials directly to the address:

Dr. Hans U Boden, Chair
Re: CLA Position
Department of Mathematics & Statistics
Hamilton Hall 218
McMaster University
1280 Main Street West
Hamilton, ON
L8S 4K1

The review process will commence on **July 18, 2011** and will continue until the positions have been filled.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. McMaster University is strongly committed to employment equity within its community, and to recruiting a diverse faculty and staff. The University encourages applications from all qualified candidates, including women, members of visible minorities, Aboriginal persons, members of sexual minorities, and persons with disabilities.
