

**University of Alberta**  
**Department of Mathematical and Statistical Sciences**

**Max Wyman - Term Assistant Professor - Pure Mathematics**

Competition No. - **A113314924D1**

Closing Date - **Will remain open until filled.**

The Department of Mathematical and Statistical Sciences at the University of Alberta invites applications for a Max Wyman Term Assistant Professorship in Pure Mathematics. This is a non-tenure-track, three-year fixed-term position under the Contract Academic Staff: Teaching Agreement. The position offers an excellent research and teaching environment with a reduced teaching load (averaging two one-semester courses per year). A startup research grant is included with the position. Salary is commensurate with that of an Assistant Professor.

We are looking for a person with a PhD (or near completion) in pure mathematics, excellent research potential and strong communication and teaching skills. Candidates are expected to develop an independent research program and will be eligible to apply for federal research funds in accordance with University policies and procedures.

Alberta is one of the leading Mathematics Departments in Canada and has strong connections with other mathematical institutes, such as the Pacific Institute for the Mathematical Sciences (PIMS), Mathematics of Information Technology and Complex Systems (MITACS), the Mathematical Sciences Research Institute (MSRI), and the Banff International Research Station (BIRS).

Applicants should submit a curriculum vitae, research and teaching profiles outlining experience and/or interests, and at least three confidential letters of reference. The closing date for applications is November 14, 2011 or until a suitable applicant is found. Early applications are encouraged.

**Interested applicants may apply to:**

Professor Arturo Pianzola, Chair  
Department of Mathematical and Statistical Sciences  
University of Alberta  
632 Central Academic Bldg.  
Edmonton, Alberta T6G 2G1
