

Department of Mathematics and Statistics  
Faculty of Arts and Science

**Professor of Pure Mathematics**

The Department of Mathematics and Statistics invites applications for a full-time tenure-track position at the rank of Assistant Professor of Pure Mathematics.

**Responsibilities**

The successful candidate will be expected to teach at all three levels of the curriculum, supervise graduate students, engage in ongoing research and publication, and contribute to the academic life and reputation of the institution.

**Requirements**

- PhD in Mathematics or a discipline deemed relevant.
- Teaching experience.
- Strong research record.
- Preference will be given to candidates with expertise in analytical number theory, but outstanding candidates working in areas closely related to number theory, such as algebraic geometry or ergodic theory, will be considered.
- Proficiency in the French language. The Université de Montréal is a Québec university with an international reputation. French is the language of instruction. To renew its teaching faculty, the University is intensively recruiting the world's best specialists. In accordance with the institution's language policy [[http://www.direction.umontreal.ca/secgen/recueil/politique\\_linguistique.html](http://www.direction.umontreal.ca/secgen/recueil/politique_linguistique.html)], the Université de Montréal provides support for newly-recruited faculty to attain proficiency in French.

**Salary**

The Université de Montréal offers a competitive salary and a complete range of benefits.

**Starting Date**

From June 1, 2012.

**Deadline**

The complete application, including a cover letter, curriculum vitae, copies of publications (maximum 3), a statement regarding the candidate's program of research and a presentation of the candidate's teaching experience and philosophy, must be received by the Department by November 30, 2011.

Candidates must also arrange to have three letters of recommendation sent directly to the Department Chair at the following address:

Véronique Hussin, Chair  
Department of Mathematics and Statistics  
Université de Montréal  
P. O. Box 6128, Station Centre-Ville  
Montreal, Quebec H3C 3J7  
CANADA

The application and letters of recommendation may be emailed to: [directio@dms.umontreal.ca](mailto:directio@dms.umontreal.ca).

For more information about the Department of Mathematics and Statistics as well as the Centre for Mathematical Research with which it collaborates closely, please consult the website at: [www.dms.umontreal.ca](http://www.dms.umontreal.ca).

**Confidentiality**

*The Université de Montréal application process allows all regular professors in the Department to have access to all documents unless the applicant explicitly states in her or his cover letter that access to the application should be limited to the selection committee. This restriction on accessibility will be lifted if the applicant is invited for an interview.*

**Employment Equity Program**

*The Université de Montréal upholds the principles of employment equity and welcomes applications from women, ethnic and visible minorities, aboriginals and people with disabilities. Applicants who belong to one of these groups are asked to complete the employment equity identification questionnaire posted at [www.fas.umontreal.ca/affaires-professorales/documents/quest-acces-emploi-FN.pdf](http://www.fas.umontreal.ca/affaires-professorales/documents/quest-acces-emploi-FN.pdf) and attach it to their application.*

**Immigration Requirements**

*In compliance with Canadian immigration requirements, priority shall be given to Canadian citizens and permanent residents.*
