

# The University of Western Ontario Department of Mathematics

## Homotopy Theory Postdoctoral Fellowships

The Department of Mathematics at the University of Western Ontario invites applications for one or more postdoctoral positions in areas related to homotopy theory, including applications to other fields. Each position has a two-year term with a flexible start date of July 1, 2012. The salary will be \$42,000 CDN per year plus a tax free research fund of \$1,500. The positions will involve teaching two half-courses per year, in addition to research. The successful candidates will work under the supervision of J.F. Jardine or D. Christensen, and should have completed a Ph.D. in July 2009 or later. The filling of these positions is subject to budgetary considerations.

Candidates are encouraged to apply electronically at <https://www.mathjobs.org/jobs/UWO/3303>

Applications may instead be mailed to:

Professor André Boivin, Chair  
Department of Mathematics  
University of Western Ontario  
London, Ontario N6A 5B7  
Canada

All applications should include a curriculum vita, a research statement, and at least three letters of reference. At least one letter of reference should comment on the teaching abilities of the applicant.

E-mail inquiries and submissions may be sent to [math-pos@uwo.ca](mailto:math-pos@uwo.ca).

Information about the department can be found at <http://www.math.uwo.ca>.  
J.F. Jardine's home page is <http://www.math.uwo.ca/~jardine/cv/index.html>. D.  
Christensen's home page is <http://jdc.math.uwo.ca/>

Screening of applications will commence on **January 9, 2012** and continue until all positions are filled.
