

The Department of Mathematics and Computer Science at Mount Allison University invites applications for a tenure-track appointment in Mathematics. The position is at the rank of Lecturer or Assistant Professor with an expected start date of July 1, 2012, subject to budgetary approval.

Mount Allison is a top-ranked Canadian undergraduate university. Our faculty are expected to maintain an independent research program and to provide high quality undergraduate teaching.

Applicants should hold a Ph.D. in Mathematics. Strong preference will be given to candidates in Algebra, Analysis or a closely related area. Candidates should provide evidence of a research program that will attract external funding and evidence of excellence in teaching at the undergraduate level.

An application should include a curriculum vitae, teaching and research statements and at least three letters of reference, at least one of which should address the candidate's teaching. Applications should be made via [mathjobs.org](http://mathjobs.org). Review of applications will start January 9, 2012.

Mount Allison University welcomes diversity in the workplace and encourages applications from all qualified women and men, including aboriginal peoples, persons with disabilities, and members of visible minorities. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Canadian and permanent residents should indicate their citizenship status in their application.
