

VANCOUVER ISLAND
UNIVERSITY

At Vancouver Island University, it's easy to love where you work. We are a supportive campus community focused on innovative teaching methods, undergraduate research opportunities, and creating an exceptional learning experience for our students. Become a part of our team; applications are being accepted for the following position:

**Regular Ongoing Faculty - Math
Faculty of Science & Technology
Competition Number 11-4066**

Details:

Regular Full-time

Start date: August 01, 2012

Location: Nanaimo Campus

Duties:

Teach a range of University Mathematics courses, mainly at the first- or second-year level. Participate in departmental and university affairs and maintain a program of scholarly activity.

Candidates must demonstrate commitment to teaching, learning and student success through scholarship and institutional service. Successful candidates will participate in a wide range of activities outside the classroom, including student support; institutional, faculty and departmental committee meetings and other initiatives; and professional activities in keeping with their disciplines in and outside the institution.

Required Qualifications:

Ph.D. in Statistics or Mathematics from an appropriately accredited institution. Candidates must have the ability to teach at least one upper-level course offering and possess the ability to develop new courses, preferably in the areas of Statistics, Business Mathematics or Mathematics Education.

Preferred Qualifications:

Experience with course and program development and a background in Statistics, Mathematics Education or Business Mathematics.

Please Submit:

CV/Resume

Letter of application including the names of three referees

Qualifications

Overview of teaching and research interests

Evidence of teaching ability at the post-secondary level (include teaching evaluations if available)

Short-listed candidates must provide original transcripts, or applicable original certifications at time of interview.

Posting Period:

The posting period for this career opportunity will remain open until January 18, 2012.

Vancouver Island University supports an online application system. Visit <http://www.viu.ca/humanresources/postings/> to access this employment opportunity and VIU's online application system. Requests for information or assistance can be directed to recruit@viu.ca.

Note:

Vancouver Island University regrets that only candidates selected for an interview will be contacted.
