

Assistant Professor in Mathematics (three-year term position)

The Department of Mathematics and Computer Science at the University of Lethbridge invites applications for a three year term position at the rank of Assistant Professor in Mathematics, to begin July 1, 2012, subject to budgetary approval. Subject to budgetary circumstances and program demands, an opportunity may exist for conversion to a tenure-track (probationary) position.

A Ph.D. in mathematics is required. The successful candidate will be expected to pursue a productive research program and to teach courses. The typical teaching load is four courses per year. Supervision of graduate students at both the Masters and Ph.D. level is possible.

New Faculty are eligible to apply for university funding in support of research and scholarly activities.

The position is open to all qualified applicants, although preference will be given to Canadian citizens and permanent residents of Canada. The University is an inclusive and equitable campus encouraging applications from qualified women and men including persons with disabilities, members of visible minorities and Aboriginal persons.

Located in southern Alberta, near the Rocky Mountains, Lethbridge offers a sunny, dry climate that is surprisingly mild for the prairies, excellent cultural and recreational amenities and attractive economic conditions. Founded in 1967, the University has an enrollment of over 8,000 students. Our focus on liberal education, selected professional programs, smaller classes, co-op placements and involvement of students in faculty research provides the very best education available. For more information about the University please visit our web site at www.uleth.ca.

Applications including a curriculum vitae, research interests and publications, names and contact information of at least three references, at least one addressing teaching, should be sent to: Search Committee Chair, Department of Mathematics and Computer Science, University of Lethbridge, 4401 University Dr., Lethbridge, Alberta, T1K 3M4. E-mail: chair@cs.uleth.ca; phone: (403)329-2470.

To expedite the handling of applications, please have references send their supporting letters directly to the above address. The closing date for the competition is February 29, 2012, or until the position is filled.

We consider all replies to this advertisement, but only short-listed applicants will be contacted.
