

University of Alberta
Department of Mathematical and Statistical Sciences

Assistant Professor - Applied Mathematics

Competition No. - **A113318324**

Closing Date - **Will remain open until filled.**

The Department of Mathematical and Statistical Sciences at the University of Alberta invites applications for a tenure-track position in Applied Mathematics at the Assistant Professor level. An appointment at a higher level may be possible under exceptional circumstances. The Department offers an excellent research environment with a normal teaching load of two-and-a-half courses per year.

The successful candidate will establish his/her own research program, supervise graduate students and teach at both graduate and undergraduate levels. Applicants will have a PhD or international equivalent, demonstrated accomplishments and outstanding promise in research as well as a strong commitment to graduate and undergraduate teaching. Strong preferential consideration will be given to applicants whose work makes use of Geometric Methods in Applied Mathematics.

The University of Alberta has one of the leading Mathematics departments in Canada, with strong connections to other mathematical institutes, such as the Pacific Institute for the Mathematical Sciences (PIMS), the Mathematical Sciences Research Institute (MSRI), and the Banff International Research Station (BIRS). For more information about the Department, please visit www.math.ualberta.ca.

Applicants should submit their curriculum vitae, a research statement, teaching profile outlining experience and interests, and at least three confidential letters of reference. Review of applications will begin November 9, 2012, however the competition will remain open until filled. Early applications are encouraged.

Packages should be sent electronically to the Chair's Assistant (see address below). Letters of reference maybe sent via email or by post to: Chair, Department of Mathematical and Statistical Sciences, 632 Central Academic Building, Edmonton, Alberta T6G 2G1.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. The University of Alberta hires on the basis of merit. We are committed to the principle of equity in employment. We welcome diversity and encourage applications from all qualified women and men, including persons with disabilities, members of visible minorities, and Aboriginal persons.
