

## ASSISTANT PROFESSOR POSITIONS IN MATHEMATICS

The Department of Mathematics at Simon Fraser University invites applications for up to two tenure-track positions at the Assistant Professor level starting September 1, 2014. For the first position we welcome applications from researchers working in **algebra** or **geometry**, especially in subareas that complement the expertise of our current faculty. Application areas of particular interest are cryptography, communication and computation. For the second position we are looking for researchers working in the areas of **numerical analysis** or **scientific computing**.

We seek applicants with an outstanding, independent research program and a strong commitment to undergraduate and graduate teaching. The successful candidate(s) will contribute to an active, innovative department with strong research groups and a thoughtful teaching environment.

All qualified candidates are encouraged to apply; however, Canadians and Permanent Residents of Canada will be given priority. Simon Fraser University is committed to an equity employment program that includes special measures to achieve diversity among its faculty and staff. We therefore particularly encourage applications from women, people of aboriginal descent, persons with disabilities, and members of visible minorities.

The Department's web page is at <http://www.math.sfu.ca/>.

Please apply through MathJobs.org at <https://www.mathjobs.org/jobs/jobs/5572> (Position ID: SFU-TAGNA). Applications must include a curriculum vitae together with a descriptive statement on research plans and a teaching dossier, and a link to or electronic copies of up to three preprints or reprints.

Candidates must ensure that four letters of reference are submitted through MathJobs.org by the deadline. One of these letters must address the candidate's teaching record. In exceptional circumstances only those letters or other application materials may be sent to
