

Mathematical Sciences
Faculty of Science, Applied Science & Engineering

The Department of Mathematical Sciences at the University of New Brunswick Saint John invites applications for a tenure track position at the Assistant Professor level, commencing July 1, 2014 or as soon as possible thereafter. The appointment is subject to final budgetary approval.

Applicants should hold a Ph.D. in Mathematics. The position is open to all qualified applicants; however the Department is especially interested in candidates whose research is in an area of applied mathematics which complements or overlaps with the Department's existing areas of research strength (fluid dynamics, combinatorics, financial mathematics).

The Mathematics Department consists of five full-time faculty members. We offer a Mathematics Major and maintain a graduate programme. UNB Saint John has a strong commitment to research and undergraduate teaching. Preference will be given to candidates demonstrating excellence in teaching and research.

A letter of application, including a curriculum vitae, statement of teaching philosophy, and three letters of reference (at least one letter of reference must address the applicant's teaching ability and experience) should be sent to the address below or emailed to mathsci@unbsj.ca.

Sciences
University of New Brunswick Saint John
P.O. Box 5050
Saint John, New Brunswick
E2L 4L5

Review of applications will commence May 26, 2014 and will continue until the position is filled.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Applicants should indicate current citizenship status.

The University of New Brunswick is committed to the principle of employment equity.
