

PIMS Postdoctoral Fellowships at the University of Lethbridge

The Department of Mathematics and Computer Science at the University of Lethbridge invites applications for candidates to be considered for PIMS-sponsored postdoctoral fellowships for the year 2015-2016.

In order to be nominated for PIMS postdoctoral fellowships, it is necessary for the applicant to be sponsored by a faculty member. The area of strengths of the department include number theory, combinatorics, Lie algebra, and optimization.

Candidates must be able to complete their Ph.D. program by December 31, 2015.

Applicants must provide

- a curriculum vitae
- a research proposal
- three letters of recommendation

A complete application may be sent by mail, fax, but preferably as an attachment to email, to:
