

Title: University of Toronto, Assistant Professor in Mathematics and Computer Science.

The University of Toronto invites applications for a tenure-stream appointment in Mathematics and Computer Science. The position is 75% in the Department of Mathematics and 25% in the Department of Computer Science. The appointment is at the rank of Assistant Professor and will begin on July 1, 2015. Areas of interest include applied computational geometry, discrete differential geometry, analysis/visualization of multidimensional data, security/privacy, and complexity.

All qualified candidates are invited to apply by clicking the following link <https://www.mathjobs.org/jobs/jobs/6272>. To receive full consideration, applications should be received by December 15, 2014.

The University offers the opportunity to teach, conduct research, and live in one of the most diverse metropolitan areas in the world. The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
