

The Mathematics Department at the University of British Columbia is seeking outstanding, experienced candidates for one position in the area of Automorphic Forms and Metric Geometry, at the tenure-track Assistant Professor level, with a starting date of July 1, 2015.

The position requires a Ph.D. degree in Mathematics or a related discipline, prior experience of at least 3 years at the Assistant Professor level, and an outstanding internationally recognized research track record, with publications in top journals in the field.

The successful applicant is expected to work in an area of interest to current faculty, to interact with related groups in the Department and will have experience teaching effectively at the undergraduate and graduate levels, supervising graduate students and obtaining external funding. The salary will be commensurate with experience and research record.

Applicants may email to

dca-chair@math.ubc.ca
Chair, Departmental Committee on Appointments

a current CV including a list of publications, statement of research and teaching interests, a teaching dossier or similar record of teaching experience, and should provide contact information for three references.

In order to ensure full consideration, applications should be received by **March 31, 2015**.

The Department has strong connections with other mathematical institutes, such as the Pacific Institute for the Mathematical Sciences (PIMS), the Banff International Research Station (BIRS), and the UBC Institute of Applied Mathematics (IAM). For more Information see <http://www.math.ubc.ca>.

UBC hires on the basis of merit and is strongly committed to equity and diversity within its community. We especially welcome applications from visible minority group members, women, Aboriginal persons, persons with disabilities, persons of minority sexual orientations and gender identities, and others with the skills and knowledge to productively engage with diverse communities. Canadians and permanent residents of Canada will be given priority. Please indicate your legal status to work in Canada.
