

**PROFESSOR OF MATHEMATICS
Tier 2 Canada Research Chair**

**Faculty of Science
Department of Mathematics
Sherbrooke Main Campus**

The University of Sherbrooke invites applications for a tenure-track appointment as a full-time professor in the Department of Mathematics (conditional to obtaining A Tier 2 (junior) Canada Research Chair).

DUTIES

Teach at the undergraduate and graduate levels.
Research and supervise graduate students at the master's and doctoral levels.
Actively participate in university life.
Service to the broader scientific community.

QUALIFICATIONS

Candidates must hold a Ph.D. degree.
Be an excellent emerging world-class researcher who has demonstrated particular research creativity.
Candidates must also meet the eligibility requirements for a Tier 2 Canada Research Chair (www.chairs-chaire.gc.ca).
Candidates must be able to teach in French or be able to rapidly achieve this ability (within two years of being hired).
We will favour a candidate who can participate in our centre de recherche en structures algébriques et géométriques (SAG). However, all candidates with an excellent record of research will be considered. SAG is a dynamic team grouping researchers with varied and complimentary interests.

ANTICIPATED STARTING DATE : At the starting of the granted Canada Research Chair.

RECEIPT OF APPLICATIONS

We will start considering applications on May 31 2015; after that date, the competition will remain open until a candidate is selected. Please submit a curriculum vitae and a statement of research interests and arrange for three letters of reference to be sent directly to the following address before 5:00 pm May 31, 2015.

Monsieur le Doyen
Faculté des sciences
Offre d'emploi n° 02203
Université de Sherbrooke
2500, boulevard de l'Université
Sherbrooke (Québec) J1K 2R1
