

The University of Manitoba  
Faculty of Science  
Department of Mathematics  
Assistant Professor  
Position Number 17707 (Algebra/Number Theory)

The Department of Mathematics at the University of Manitoba invites applications for a tenure-track position at the Assistant Professor level, commencing 1 July, 2016, or as soon as possible thereafter. Minimum qualifications are a Ph.D. in Mathematics. The successful candidate will have: a record of excellence in research and successful undergraduate teaching, or the clear potential to develop a strong independent program of research, and a commitment to undergraduate teaching excellence; a firm commitment to graduate student instruction and supervision; and a commitment to service. The appointment is expected to be in one of the following areas: combinatorial/geometric group theory; computational algebra; Lie theory; number theory. The search committee will also consider applications from exceptional candidates in any area of mathematics. The Department is especially interested in candidates whose research complements or overlaps with the Department's existing areas of research strength. For more information about the Department, please visit <http://www.math.umanitoba.ca>.

Review of applications will begin 30 November, 2015, and will continue until the position is filled. In all correspondence, applicants must refer to position number #17707. Applications should be submitted by email to the address given below; PDF files are preferred. Applicants should submit a curriculum vitae together with statements concerning research plans and teaching philosophy, as well as evidence of teaching quality, if available. Applicants should arrange for at least three letters of reference (one of which should address teaching) to be sent via email to [math\\_search@umanitoba.ca](mailto:math_search@umanitoba.ca), and should be addressed as follows:

Steve Kirkland  
Chair of the Search Committee  
Department of Mathematics  
University of Manitoba  
Winnipeg, MB Canada R3T 2N2

Letters of reference should arrive by 30 November, 2015, or as soon as possible thereafter.

The University of Manitoba is committed to creating a diverse and inclusive workplace. Applications are encouraged from qualified applicants including members of visible minorities, Aboriginal peoples, people with disabilities, people of all sexual orientations and genders, and others who may contribute to the further diversification of the university. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

Application materials, including letters of reference, will be handled in accordance with the protection of privacy provisions of "The Freedom of Information and Protection of Privacy" (Manitoba). Please note that application materials may be provided to participating members of the search process.
