The Department of Mathematics in the University of Toronto invites applications for a full-time tenured appointment in mathematics with a research specialty in Applied Mathematics. The appointment will be at the rank of Associate or Full Professor and will commence July 1, 2017.

Candidates must hold a Ph.D. in Mathematics at the time of appointment. The ideal candidate will have an established reputation with internationally recognized scholarship and a demonstrated excellence in research and teaching. Evidence of excellence in research will be demonstrated by publications in top ranked and field-relevant academic journals, presentations at top conferences, research awards and accolades, and strong endorsements by referees of top international stature.

Evidence of excellence in teaching at all ranks will be demonstrated through positive teaching accomplishments and accolades, strong letters of reference, and a reflective teaching dossier with outstanding course evaluations.

The University of Toronto is an international leader in Mathematics research and education. We seek exceptional candidates who would complement and broaden our existing strengths (https://www.math.toronto.edu/cms/people/#Faculty). Successful candidates are expected to pursue independent, innovative research at the highest international level, to have a strong commitment to undergraduate and graduate teaching, and to participate actively in the Graduate Department of Mathematics.

Salary and rank will be commensurate with qualifications and experience.

Application material for the position should be submitted online through MathJobs, http://www.mathjobs.org/jobs/jobs/9552. It should include the candidate's cover letter, curriculum vitae, a list of publications, a research statement, a teaching dossier, the AMS Standard Cover Sheet, and at least four letters of reference on letterhead, signed, scanned and uploaded directly to MathJobs by the writers, including at least one primarily addressing the candidate's teaching. Application material should be received by the closing date of December 15, 2016.

If you have any questions about this position, please contact: mathjobs@math.utoronto.ca. For more information, please see our website http://www.math.toronto.edu .

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
