

<b>Academic unit:</b>	Mathematics and Statistics
<b>Category of appointment:</b>	Two Year Term Appointment
<b>Field of specialization:</b>	Pure Mathematics/Analysis
<b>Rank/Position title:</b>	Assistant Professor
<b>Start date:</b>	July 1, 2017
<b>Closing date for applications:</b>	Consideration of applications will begin on February 15, 2017 and continue until the position is filled.

**About the position:**

The School of Mathematics and Statistics invites applications from qualified candidates for a contractually limited two-year term faculty position at the rank of Assistant Professor in pure mathematics with specialization in analysis, starting July 1, 2017.

**Qualifications:**

Applicants should have a Ph.D. in mathematics and a strong commitment to excellence in research and teaching. The School is particularly interested in an individual who is active in an area of modern functional analysis or abstract harmonic analysis, with connections to quantum physics and applications such as quantum information theory and quantum computing, and who can interact/collaborate with members of the pure analysis group. However, the primary and fundamental criterion will be excellence and strength in pure analysis, and a strong commitment to excellence in teaching.

**Application instructions:**

Applications should include a cover letter, curriculum vitae, up to four sample publications, and a teaching dossier. These should be sent electronically in one single PDF file to [analysis-hiring@math.carleton.ca](mailto:analysis-hiring@math.carleton.ca).

Please indicate in your application if you are a Canadian citizen or permanent resident of Canada.

Applicants should also arrange to have three letters of reference. At least one of the letters should address the applicant's teaching skills. Reference letters should be sent directly either electronically to the above e-mail address or in hard copy to:

Dr. David Amundsen, Acting Director School of Mathematics and Statistics  
Carleton University  
1125 Colonel By Drive  
Ottawa, Ontario, CANADA, K1S 5B6.

Consideration of applications will begin on February 15, 2017 and continue until the position is filled.

**About Carleton University:**

Join our intellectual and collaborative community of scholars. Carleton University is a dynamic and innovative research and teaching institution with a nationally and internationally reputation as a leader in collaborative teaching and learning, research and governance. With over 28,000 students, 850 academic faculty, and 2,000 staff and more than 100 programs of study, we encourage creative risk-taking enabling minds to connect, discover and generate transformative knowledge. Located in Ottawa, Ontario, Canada's capital city has a population of almost one million and reflects the country's bilingual and multicultural character. Carleton's location in the nation's capital provides many opportunities for scholarship and research with groups and institutions that reflect the diversity of the country. To learn more about our University and the City of Ottawa, please visit [www.carleton.ca/provost](http://www.carleton.ca/provost).

**Carleton**  
UNIVERSITY

Carleton University is strongly committed to fostering diversity within its community as a source of excellence, cultural enrichment, and social strength. We welcome those who would contribute to the further diversification of our University including, but not limited to: women; visible minorities; First Nations, Inuit and Métis peoples; persons with disabilities; and persons of any sexual orientation or gender identity and expressions.

Applicants selected for an interview are asked to contact the Chair of the Search Committee as soon as possible to discuss any accommodation requirements. Arrangements will be made in a timely manner.

*All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. All positions are subject to budgetary approval.*
