DEPARTMENT OF MATHEMATICS, STATISTICS AND COMPUTER SCIENCE

Limited Term Position

The Department of Mathematics, Statistics and Computer Science at St. Francis Xavier University invites applications for a Limited Term appointment. The term of the appointment is from **August 14, 2017** to **May 11, 2018**. Salary will be commensurate with qualifications and experience.

The successful candidate should hold a PhD (or a nearly completed PhD) in Mathematics or Statistics or a closely related field. The candidate must show a strong commitment to teaching. The primary responsibilities of the successful candidate will be teaching courses at the undergraduate level in Mathematics and Statistics; ability to teach introductory programming courses is an asset.

Application material should include: a cover letter, a curriculum vitae, a statement of teaching interests and philosophy, a statement of research interests and the contact information for three references. The application must be submitted electronically in the form of one (1) pdf file sent to: rtmacdon@stfx.ca with subject line LTA_MSCS_2017.

To learn more about the Department of Mathematics, Statistics and Computer Science, St. Francis Xavier University, please visit our website at http://sites.stfx.ca/mscs/.

The review of applications will begin on March 20, 2017 and will continue until this position is filled. This position is subject to final budgetary approval.

"Only those selected for an interview will be contacted. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. StFX respects diversity and welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities and members of a sexual minority group."
