

The University of Prince Edward Island's School of Mathematical and Computational Sciences invites applications for a **nine-month term faculty position in the area of Mathematics** at the Lecturer or Assistant Professor level.

The School of Mathematical and Computational Sciences at UPEI consists of 16 professors and two instructors, and offers programs in Mathematics, Statistics, Computer Science, Actuarial Science, Financial Mathematics, Data Analytics, Business Analytics, Video Game Programming and Mathematics with Engineering. The School of Mathematical and Computational Sciences is in a period of expansion, with new programs and growing numbers of students.

The successful applicant will teach six courses, with four of the courses being introductory mathematics courses (multiple sections of the same course) and two other courses possibly being upper level mathematics courses. The successful applicant should have a record of strong teaching ability, with experience and demonstrated competence in undergraduate mathematics teaching, and expertise teaching some advanced undergraduate

It is preferred that applicants have a Ph.D. in Mathematics, however persons with a Master's degree in Mathematics will also be considered.

Rank and salary will be commensurate with qualifications, but should be in the range of \$47,000 to \$57,000 for the nine months. Full-time, permanent faculty receive a comprehensive fringe benefits package including group life, accidental death and dismemberment, supplemental health, travel insurance, pension, and long-term disability insurance.

Start date: August 1, 2017

End date: April 30, 2018

Applicants should send

- a curriculum vitae;
- a teaching dossier including: a statement of teaching philosophy, a list of mathematics courses taught, and statistical summaries from all teaching evaluations;
- the names and contact information for three references;

to:

Gordon MacDonald, Associate Dean
School of Mathematical and Computational Sciences
University of Prince Edward Island
550 University Avenue
Charlottetown PE

Canada C1A 4P3
Telephone: (902) 628-4349
Email: smcs@upei.ca
Fax: (902) 566-0466

Review of applications will begin on May 1, 2017 and continue until a suitable applicant is identified.

In accordance with Canadian immigration requirements, all qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. UPEI is committed to the principle of equity in employment.
