- Two Assistant Professors, Applied Mathematics, UTSC
<https://utoronto.taleo.net/careersection/10050/jobdetail.ftl?job=1701586>
- Associate Professor, Applied Mathematics, UTSC
<https://utoronto.taleo.net/careersection/10050/jobdetail.ftl?job=1701585>
- Up to two Assistant Professor, Pure Mathematics, UTM
<https://utoronto.taleo.net/careersection/10050/jobdetail.ftl?job=1701143>
- Up to two Associate Professor, Pure Mathematics, UTM
<https://utoronto.taleo.net/careersection/10050/jobdetail.ftl?job=1701145>

The University of Toronto is an international leader in Mathematics research and education. We seek exceptional candidates who would complement and broaden our [existing strengths](#).

Salary will be commensurate with qualifications and experience.

Application material for these positions should be submitted online through MathJobs, <http://www.mathjobs.org/jobs/>. It should include the candidate's cover letter, curriculum vitae, a list of publications, a research statement, a teaching statement, the AMS Standard Cover Sheet, and at least four letters of reference (on letterhead, signed and scanned) uploaded to MathJobs directly by the writers, including at least one primarily addressing the candidate's teaching. To receive full consideration, application material should be received by the closing date of November 15, 2017.

For more information, please see our website <http://www.math.toronto.edu>, <http://www.utm.utoronto.ca/math-cs-stats/>, and <http://www.utsc.utoronto.ca/cms/>.

If you have any questions about these positions, please contact: mathjobs@math.utoronto.ca

The University of Toronto offers the opportunity to teach, conduct research, and live in one of the most diverse metropolitan areas in the world.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons/persons of colour, women, indigenous/Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority.
