

UNIVERSITY OF SASKATCHEWAN

College of Arts and Science

DEPARTMENT OF MATHEMATICS
AND STATISTICS
ARTSANDSCIENCE.USASK.CA

Mathematics and Statistics Lecturer(s)

The College of Arts and Science invites applications from qualified individuals for 3 full-time four-year limited term faculty positions in the area of Mathematics and Statistics at the rank of Lecturer.

The successful candidate will be expected to teach six courses per year with an emphasis on foundational and service-oriented first and second year undergraduate courses in Mathematics or Statistics. While the primary focus of these positions is on teaching, Lecturers are also expected to contribute to the broader goals and activities of the Department. The Department offers undergraduate courses towards degrees in Applied Mathematics, Mathematics, Mathematical Physics, and Statistics, as well as several service-oriented courses for students in Commerce, the Life Sciences, and Engineering. Department members are also engaged in research, interdisciplinary and international collaborations, curriculum improvement and development, community outreach and promotion of the Mathematical Sciences.

The College of Arts and Science offers a dynamic combination of programs in the fine arts, humanities, the social sciences, and the sciences. There are over 10,000 undergraduate and graduate students in the College and 295 faculty, including 12 Canada Research Chairs. The College emphasizes student and faculty research, scholarly and artistic work, interdisciplinary programs, community outreach and international opportunities.

The University of Saskatchewan's main campus is situated on Treaty 6 Territory and the Homeland of the Métis. The University of Saskatchewan is located in Saskatoon, Saskatchewan, a city with a diverse and thriving economic base, a vibrant arts community and a full range of leisure opportunities. The University has a reputation for excellence in teaching, research and scholarly activities and offers a full range of undergraduate, graduate, and professional programs to a student population of over 21,000.

Qualifications:

A Ph.D. in Mathematics, Statistics, or a related discipline is required. We seek candidates who have demonstrated effective classroom teaching skills, communication skills and collegiality. The specific teaching needs of the Department will be taken into account in the decision making process.

Salary and Benefits July 1, 2016 – June 30, 2017):

Salary band: Lecturer: \$77,613 (Floor) to \$99,565 (CDI Ceiling)

This position includes a comprehensive benefits package which includes a dental, health and extended vision care plan; pension plan, life insurance (compulsory and voluntary), academic long term disability, sick leave, travel insurance, death benefits, an employee assistance program, a professional expense allowance, and a flexible health and wellness spending program.

Application Procedure:

Application material for the position must be submitted online through **MathJobs.org** (<https://www.mathjobs.org/jobs/jobs/11215>). It should include a cover letter including career goals and how they align with the expectations of the position; a curriculum vitae; a teaching philosophy statement; a teaching dossier which includes syllabi and formal teaching evaluations; the AMS Standard Cover Sheet; and at least three letters of reference submitted directly by the writers that provide detailed comments on the teaching abilities of the applicant.
