

## **Fields Institute Postdoctoral Fellow Position(s)**

The Faculty of Science at Carleton University invites applications for one or two one-year Fields Institute Postdoctoral Fellow position or positions in mathematics/statistics or related areas beginning on September 1, 2019.

Applicants should have (or are expected to complete by September 1, 2019) a Ph.D. in Mathematics/Statistics or related areas, and must be committed to excellence in research. The successful candidate will be expected to do research in collaboration with host faculty members at Carleton.

Applications should include:

- a curriculum vitae
- up to three sample publications
- three letters of reference

All applicants are very strongly recommended to directly contact potential host faculty member(s), since the position(s) will be jointly supported by the host supervisor(s).

Applications, together with all required documents, should be submitted through the online system from

<https://scienceapps1.carleton.ca/fields/postdoc>

by May 31, 2019. Consideration of applications will begin following the deadline and continue until the position (or positions) is (are) filled.

All qualified candidates are encouraged to apply. Carleton University is committed to equality of employment for women, Aboriginal peoples, visible minorities, and persons with disabilities. Persons from these groups are encouraged to apply.
