	city, etc.), and we also de the confedence of perfection and willy.

6. How will you do your best to ensure the conference attracts as many attendees as in the past or more?

Part III

Poster

Please attach an $8 \times 10''$ poster (landscape) as an advertisement for your bid. This poster, along with Part II of the above Application Form will be publicly available on the Stude website for Canadian math students to consider. Students will be given the opportunity to provide Stude with their comments on all bids. These comments will be taken into account by the committee when choosing next year's conference location.

Stude is committed to ensuring that the CUMC remains a bilingual event and so we ask that you provide two versions of your poster: English and French. If this poses a problem for your committee in the bidding stage, please contact the Stude chair(s) < chair-stude@cms.math.ca>.
