

Field of Specialization:	Pure Mathematics
Academic Unit:	Mathematics and Statistics
Category of Appointment:	Preliminary (Tenure-Track)
Rank/Position Title:	Assistant Professor
Start Date:	July 1, 2020
Closing Date:	Consideration of complete applications will begin January 6, 2020 and continue until the position is filled

About the Position:

The School of Mathematics and Statistics invites applications from qualified candidates for a preliminary tenure-track appointment in pure mathematics at the rank of Assistant Professor beginning July 1, 2020.

The successful candidate will be expected to develop a strong externally-funded research program in an area of pure mathematics, supervise students, as well as develop and teach undergraduate and graduate courses in pure mathematics.

About the Academic Unit:

Information about the School may be found at www.math.carleton.ca.

Qualifications:

The position requires a PhD, completed by the start date of the appointment. The candidate must exhibit strong potential for innovative and scholarly research in an area of pure mathematics, and have demonstrated teaching excellence. Although applicants from any area of pure mathematics are invited to apply, preference will be given to candidates that are able to interact with one or more of the School's research groups.

Application Instructions:

Applicants should submit applications electronically to Kevin Crosby (kevin.crosby@carleton.ca) in one PDF file including a curriculum vitae, a summary of research objectives and teaching experience, and copies of representative publications. At the same time, applicants should arrange to have three referees forward supporting letters via email to kevin.crosby@carleton.ca.

Please indicate in your application if you are a Canadian citizen or permanent resident of Canada.

About Carleton University:

Carleton University is a dynamic and innovative research and teaching institution with a national and international reputation as a leader in collaborative teaching and learning, research and governance. With over 30,000 students in more than 100 programs of study, we encourage creative risk-taking, discovery, and the generation of transformative knowledge. We are proud to be one of the most accessible campuses in North America. Carleton's Paul Menton Centre for Students with Disabilities has been heralded as the gold standard for disability support services in Canada.

Carleton's location in Ottawa, Ontario provides many opportunities for scholarship and research with numerous and diverse groups and institutions. Canada's capital has a population of almost one million and reflects the country's bilingual and multicultural character. To learn more about our university and the City of Ottawa, please visit www.carleton.ca/about.

Carleton University is committed to fostering diversity within its community as a source of excellence, cultural enrichment, and social strength. We welcome those who would contribute to the further diversification of our university including, but not limited to: women; visible minorities; First Nations, Inuit and Métis peoples; persons with disabilities; and persons of any sexual orientation, gender identity and/or expression. Carleton understands that career paths vary. Legitimate career interruptions will in no way prejudice the assessment process and their impact will be carefully considered.

Applicants selected for an interview are asked to contact the Chair as soon as possible to discuss any accommodation requirements. Arrangements will be made in a timely manner.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. All positions are subject to budgetary approval.
