Date of Posting: April 24th, 2020

**Department of Mathematical Sciences
9-Month Limited Term Appointment (Barrie)**

The Department of Mathematical Sciences at Lakehead University invites applications for a nine-month Limited Term Appointment at the rank of Assistant Professor. We are looking for a candidate with the ability to teach Math in support of several programs in the Lakehead-Georgian Partnership (primarily the Electrical Engineering and Computer Science programs) at Lakehead University (Barrie) campus. The position will commence on August 15, 2020 at a rank commensurate with experience and qualifications.

Applicants should have a demonstrated commitment to teaching at the undergraduate level with an excellent teaching record and demonstrated potential for scholarly research. Candidates for the position should possess or be nearing completion of a Ph.D. degree in Mathematics from a university recognized by Canadian Universities. Experience with experiential learning and online or alternative modes of course delivery is highly desired.

Lakehead is a comprehensive university with a reputation for innovative programs and cutting-edge research. With campuses located in Thunder Bay and Orillia, Lakehead has approximately 10,000 students and 2,160 faculty and staff. With an emphasis on collaborative learning and independent critical thinking and a multidisciplinary teaching approach, Lakehead offers a variety of degree and diploma programs at the undergraduate, graduate, and doctoral levels through its ten faculties, including Business Administration, Education, Engineering, Health and Behavioural Sciences, Natural Resources Management, Science and Environmental Studies, Social Sciences and Humanities, Graduate Studies, the Northern Ontario School of Medicine (West Campus) and Ontario's newest Faculty of Law. For further information, please visit: www.lakeheadu.ca.

Lakehead also offers innovative, four-year combined degree-diploma programs with Georgian College in Barrie. Our programs offer students the opportunity to earn a university degree and college diploma in four years of full-time study. Our innovative degree-diploma programs integrate theoretical learning with a blend of applied skills students need to be job-ready. For further information, please visit: www.lakeheadgeorgian.ca.

For further information about the position, please contact Dr. Tianxuan Miao, Chair of the Department of Mathematical Sciences (tmiao@lakeheadu.ca). Detailed information on the Department is available at our website (www.math.lakeheadu.ca).

Review of applications will begin on May 30, 2020 and will continue until the position is filled. The electronic application (in the form of one PDF document) should include: a letter of interest, curriculum vitae, evidence of teaching effectiveness (including a statement of teaching philosophy, experience with experiential learning and online or alternative modes of

course delivery, course outlines and teaching evaluations for previously-taught courses), a statement of a research plan (current and future interests), copies of the three most significant publications, and the names and contact information of three references. A *completed Confirmation of Eligibility to Work in Canada form must accompany your package. This form is available on our website at <https://www.lakeheadu.ca/faculty-and-staff/departments/services/hr/employment-opportunities>*

Applicants should submit their electronic application to:
