

Mathematical & Computational Sciences
UNIVERSITY OF TORONTO
MISSISSAUGA

The Department of Mathematical and Computational Sciences at the University of Toronto Mississauga (UTM) invites applications for a full-time tenure stream appointment in Mathematics. The appointment will be at the rank of Assistant Professor, and will commence on July 1, 2021, or shortly thereafter.

Applicants must have a PhD degree in Mathematics or a related area by the time of appointment, or shortly thereafter, with a demonstrated record of excellence in research and teaching. Candidates in all areas of Mathematics will be considered.

We seek exceptional candidates whose research and teaching interests complement and enhance our existing departmental strengths (see our websites at <https://www.utm.utoronto.ca/math-cs-stats/> and <http://www.math.toronto.edu/>). The successful candidate will be expected to pursue innovative and independent research at the highest international level and establish an outstanding, competitive, and externally funded research program. The successful candidate will be a member of the tri-campus graduate Department of Mathematics at the University of Toronto.

Candidates must provide evidence of research excellence as can be demonstrated by a record of publications in top-ranked Mathematics journals or forthcoming publications meeting high international standards, the submitted research statement, presentations at significant conferences, awards and accolades, and strong endorsements from referees of high standing.

Evidence of excellence in teaching will be provided through teaching accomplishments, the teaching dossier, a teaching statement, sample course syllabi, and the teaching evaluations submitted as part of the application, as well as strong letters of reference.

Salary will be commensurate with qualifications and experience.

The University of Toronto is an international leader in Mathematics research and education. It offers the opportunity to teach, conduct research, and live in one of the most diverse metropolitan areas in the world. For more information, please see our websites <https://www.utm.utoronto.ca/math-cs-stats/> and <http://www.math.toronto.edu/>.

All qualified candidates are invited to apply through MathJobs at: <https://www.mathjobs.org/jobs/list/16999>. Applicants must submit a cover letter; a current curriculum vitae; a list of publications; a research statement outlining current and future research interests; and a teaching dossier to include

a teaching statement, sample course syllabi, and teaching evaluations. Applicants must also arrange to have at least four recent letters of reference (on letterhead, dated and signed) uploaded through MathJobs directly by the writers, including at least one primarily addressing the candidate's teaching, by the closing date.

All application materials, including reference letters, must be received by April 5, 2021. For enquiries, please contact Julia Martyn, Chair's Assistant, at julia.martyn@utoronto.ca.
