

ST. FRANCIS XAVIER UNIVERSITY

MATHEMATICS & STATISTICS DEPARTMENT

Nine-Month Limited Term Position

The Department of Mathematics & Statistics at StFX invites applications for a nine-month Limited Term Appointment at the rank of Assistant Professor to begin August 9, 2021.

The successful candidate will have or be nearing completion of a PhD in Mathematics, Statistics or a related field. The preferred candidate will be able to demonstrate a strong commitment to teaching and provide evidence of high-quality research. The Department is seeking candidates who are committed to contributing to StFX's priorities of equity, diversity, and inclusion. Demonstrated ability in attracting underrepresented groups of students and fostering a climate of inclusion in the classroom is an asset.

St. Francis Xavier University is a top-ranked Canadian undergraduate institution located in Antigonish, Nova Scotia. StFX offers a wide range of undergraduate degrees through more than twenty-five academic departments and interdisciplinary programs. The university has a long and distinguished history of educating high quality undergraduate students.

Applicants should provide a cover letter, curriculum vitae, statements on teaching interests and philosophy, a research statement, and the names, addresses (including email), and telephone numbers of three references. **Applications should be sent via email to:**
