Posting Details

Job Title	Instructor - Mathematics and Computer Science
Rank	Instructor
Tenure Information	Term
Position Details	The University of Lethbridge (uLethbridge) is a comprehensive and research-intensive university founded on the principles of liberal education where inspired scholars integrate research and creative activity with teaching. Our University's Blackfoot name is Iniskim, meaning Sacred Buffalo Stone. Founded in 1967 on traditional Blackfoot land, it is a place where student engagement in learning, creative activities, and research takes place every day. With campuses in Lethbridge and Calgary, uLethbridge offers more than 150 undergraduate and 60 graduate programs in the faculties of Arts & Science, Education, Fine Arts, Health Sciences, the Schools of Liberal Education and Graduate Studies, and the Dhillon School of Business, to more than 8,900 students.

The University of Lethbridge recognizes that diversity enriches our campus and our community and is fundamental to excellence in teaching, learning, and research. The university as a whole embraces equity as a core value to be truly inclusive of the communities of which we are a part, and this requires ongoing intentional and systemic action. Through recruitment and support of individuals who further enhance our diversity, the University strives to create a diverse and inclusive community where students, faculty and staff feel welcome, are treated equitably, and can thrive.

The Department of Mathematics and Computer Science invites applications for a three-year Instructor term position. The appointment will commence as early as July 01, 2021, subject to budgetary approval. We are looking for a candidate with a proven ability to teach lower-level courses in Statistics and Mathematics. The ability to teach Computer Science would be an asset. The successful candidate will have a M.Sc. in Mathematics or Statistics. Hiring salary will be in the range of $53,000-$63,000 per year. Salary and rank will be commensurate with qualifications and experience.

The Department of Mathematics and Computer Science runs a well-equipped Unix network, including undergraduate Linux machine laboratories, and has access to PC and Mac labs. The Department and University are student-focused, comprehensive (research intensive, with undergraduate and graduate

student programming), and grounded in liberal education.

Teaching duties will include teaching classes, tutorials, and labs.

All applications must be submitted online, and should include a letter of application, a curriculum-vitae, a statement of teaching interests and philosophy, outlines of courses previously taught, teaching evaluations, and contact information for three references who are academics in the field. References will be contacted directly, with information on how to submit their reference letters. The application submission triggers this request to your references, so please ensure that they are prepared to submit their letters no later than May 7, 2021.

For enquiries about the position, please contact Dr. Yllias Chali, Search Committee Chair, Department of Mathematics and Computer Science, at yllias.chali@uleth.ca.

The deadline for applications will be May 6, 2021 or until a suitable applicant is found.

Faculty	Faculty of Arts & Science
Campus	Lethbridge
