

**The University of Winnipeg
Department of Mathematics and Statistics
Term Instructor in Mathematics**

The Department of Mathematics and Statistics at The University of Winnipeg invites applications for a one-year term position in Mathematics at the rank of Instructor. This is a teaching position, where the successful candidate will teach mathematics courses at the pre-university, first-year and second-year levels, including math content courses for pre-service teachers and math courses for business students. Subject to budgetary approval, this position will commence August 1, 2021. Salary levels will be commensurate with qualifications and experience.

The selected candidate will join the Department of Mathematics and Statistics, which has sixteen regular faculty members. Further information about the department, including descriptions of courses offered, is available at <https://www.uwinnipeg.ca/mathstats/>.

Qualifications

Candidates must hold an MSc in mathematics and have experience teaching at the university level. Experience teaching online classes would be an asset. Candidates must be committed to working toward success for students with various backgrounds, including those who struggle with math, while maintaining academic standards; have excellent interpersonal and communication skills; have excellent time management skills; and have a demonstrated ability to work well with colleagues and students.

Application process

Applicants are requested to submit a complete application that will include (all documents in PDF):

- a cover letter
- a current curriculum vitae
- a teaching statement and evidence of teaching effectiveness, including teaching evaluations, if available
- a list of at least three references

Applicants must submit all of the above materials through **The University of Winnipeg's online recruitment system** (<https://www.northstarats.com/University-of-Winnipeg>).

The selection committee will begin reviewing applications on Monday, June 21, 2021 and will continue until the position is filled; full consideration is assured for applications received by Sunday, June 20, 2021.

Enquiries may be addressed to Dr. Anna Stokke, Chair, mathstats@uwinnipeg.ca.

The University of Winnipeg is committed to equity, diversity and inclusion and recognizes that a diverse staff/faculty benefits and enriches the work, learning and research environments, and is essential to academic and institutional excellence. We welcome applications from all qualified individuals and encourage women, members of racialized communities, Indigenous persons, persons with disabilities, and persons of any sexual orientation or gender identity to confidentially self-identify at time of application. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.
