

Department of Mathematics & Statistics
College of Arts and Science
University of Saskatchewan
Tenure-Track in Applied Mathematics

The Department of Mathematics & Statistics in the College of Arts and Science at the University of Saskatchewan invites applications for a tenure-track position in the area of Applied Mathematics at the Assistant Professor level effective July 1, 2007.

The department is seeking candidates who have outstanding records of research and publication in an area of mathematical modeling. Applicants must have a doctoral degree. The successful candidate will demonstrate excellence or promise of excellence in teaching and graduate supervision, and will be expected to develop a vigorous, externally-funded research program. For more information on the Department of Mathematics and Statistics and its research activities, see URL <http://math.usask.ca/>

The College of Arts & Science offers a dynamic combination of programs in the humanities and fine arts, the social sciences and the sciences. There are over 8,000 undergraduate and graduate students in the College and 325 faculty, including 14 Canada Research Chairs. The College emphasizes student and faculty research, interdisciplinary programs, community outreach and international opportunities.

The University of Saskatchewan is located in Saskatoon, Saskatchewan, a city with a diverse and thriving economic base, a vibrant arts community and a full range of leisure opportunities. The University has a reputation for excellence in teaching, research and scholarly activities and offers a full range of undergraduate, graduate, and professional programs to a student population of about 20,000. The university is one of Canada's leading research-intensive universities.

Applicants should send a curriculum vitae and arrange for three confidential letters of reference to be sent to:

Dr. Raj Srinivasan, Head
Department of Mathematics and Statistics
University of Saskatchewan
106 Wiggins Road
Saskatoon, SK S7N 5E6

Email: math@sask.usask.ca

Closing date for receipt of applications is January 31, 2007.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. In accordance with the University's Employment Equity Policy, the department welcomes applications from all qualified candidates. Women, people of aboriginal descent, members of visible minorities, and people with disabilities are invited to identify themselves as members of these designated groups on their applications.
