## Department of Mathematics and Statistics

---

The Department of Mathematics and Statistics invites applications for a tenure-track position in probability. The Department welcomes applications at the Assistant Professor level, as well as more senior levels.

Candidates must have a doctoral degree at the date of appointment. Candidates are expected to have demonstrated excellence in research. They should also have the potential to contribute to the educational programs of the Department at the graduate and undergraduate levels.

Applications with a curriculum vitae, a list of publications, a research outline, an account of teaching experience, a statement on teaching, and the names, phone numbers and e-mail addresses of at least four references (with one addressing the teaching record) should be sent to:

Professor David A. Stephens  
Chair, Probability Search Committee  
Department of Mathematics and Statistics  
McGill University  
805 Sherbrooke Street West  
Montreal QC H3A 2K6 Canada

Candidates must arrange to have the four letters of recommendation sent directly to the above address. Candidates are encouraged to include copies of up to 3 selected reprints or preprints with their applications.

To ensure full consideration, applications must be received by  
January 31, 2007.

Only those applicants selected for an interview will be contacted. All qualified candidates are encouraged to apply; however Canadians and permanent residents of Canada will be given priority. McGill University is committed to equity in employment.
