

The Department of Mathematics and Computer Science at Mount Allison University invites applications for a one-year term appointment in Mathematics.

Candidates should have a Ph.D and have a strong commitment to undergraduate teaching and to research. The successful candidate will be expected to teach 5 one-semester courses in areas including calculus, differential equations, numerical analysis and mathematical modeling. Preference will be given to candidates with an established research program.

The appointment will be made at the rank of Lecturer or Assistant Professor and will commence on July 1, 2007, subject to budgetary approval.

An application should include a curriculum vitae and three letters of reference, and should be sent to:

Dr. Catharine Baker
Chair of the Search Committee
Dept. of Mathematics and Computer Science
Mount Allison University
67 York Street Sackville, NB E4L 1E6
fax: (506) 364 2583
email: cbaker@mta.ca

The closing date for applications is March 15, 2007, or until the position is filled.

Mount Allison University welcomes diversity in the workplace and encourages applications from all qualified women and men, including aboriginal peoples, persons with disabilities, and members of visible minorities. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Canadian and permanent residents should indicate their citizenship status in their application.
