THE UNIVERSITY OF WINNIPEG

The Department of Mathematics & Statistics at the University of Winnipeg invites applications for a two-year sessional position in Mathematics at the Assistant Professor level. Candidates should have a demonstrated commitment, interest and ability in undergraduate teaching and research. The applicant must have prior experience in teaching calculus and demonstrated research competence in path and cycle partitions of graphs or metric and convex graph theory.

Subject to budgetary approval, this appointment will commence on August 1, 2007. Salary will be commensurate with qualifications and experience.

Candidate should have a Ph.D. or be near completion.

Candidates should send a curriculum vitae and names of three references to:

> Jeff Babb, Chair
> Department of Mathematics and Statistics
> University of Winnipeg
> Winnipeg, Manitoba
> R3B 2E9
> j.babb@uwinnipeg.ca

The closing date for receipt of applications is Friday, May 11, 2007.

In accordance with Canadian immigration policy, this position is initially directed to Canadian citizens and permanent residents. The University of Winnipeg is committed to employment equity, welcomes diversity in the workplace, and encourages applications from all qualified individuals, including women, members of visible minorities, aboriginal people, and persons with disabilities.
