

The Department of Mathematics and Statistics at McMaster University invites applications for at least one 12-month contractually limited appointment as an Assistant Professor. The starting date is September 1, 2007 and the minimum annual salary is \$55,015.

The successful candidates will typically have a PhD in Mathematics or Statistics with demonstrated scholarly and pedagogical strength in any area of Mathematics or Statistics. Preference will be given to candidates with a proven record of successful teaching at the university level.

Candidates are requested to apply for this position by using the MathJobs. See our entry at <http://www.mathjobs.org>. Letters of application should include a curriculum vitae, a statement of teaching philosophy and practice. Preferably the letters of reference will be submitted through the MathJobs website (see above); they may also be sent directly to:

Dr. Bradd Hart, Chair  
Department of Mathematics & Statistics  
McMaster University  
1280 Main Street West  
Hamilton, ON L8S 4M2

Applications will begin being reviewed on June 27, 2007 and will continue to be reviewed until the positions have been filled.

McMaster University is strongly committed to employment equity within its community, and to recruiting a diverse faculty and staff. The University encourages applications from all qualified candidates, including women, members of visible minorities, Aboriginal persons, members of sexual minorities, and persons with disabilities. All qualified candidates are encouraged to apply however Canadians and permanent residents will be given priority.
