

DEPARTMENT OF MATHEMATICS
SIMON FRASER UNIVERSITY
TEACHING POSTDOCTORAL POSITION

The Department of Mathematics is seeking to appoint a full-time teaching postdoctoral fellow to support its instructional program at Simon Fraser University's Burnaby and Surrey Campuses from August 15, 2007 – August 14, 2008. Duties include teaching three one-semester courses and undertaking research in one of the areas of research concentration in the department, in conjunction with permanent faculty.

Applicants should have a recent doctoral degree in mathematics, applied mathematics, and have some undergraduate teaching experience.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Simon Fraser University is committed to an equity employment program that includes special measures to achieve diversity among its faculty and staff. We therefore particularly encourage applications from qualified women, aboriginal people, persons with disabilities, and members of visible minorities.

The Department's web page can be found at <http://www.math.sfu.ca/>.

Applicants should submit *curriculum vitae*, including a *teaching dossier*, and **ask three individuals familiar with their teaching abilities to send their comments to:**
